Open Auction Notice for Conifer Timber

Jigme Dorji National Park is set to auction **82,312.35** cubic feet standing volume of mixed conifer and broadleaved timber from the Tongchu to Taktsemakhang road construction sites on February 5, 2024. The disposal will be conducted through an open auction on an "**as is where is**" basis. Interested individuals are required to report to the Park head office in Damji at 11:00 am on February 5th. A briefing on auction terms and conditions will be provided to all attendees, and interested parties are encouraged to conduct field validations at the sites before the auction.

Participants are obligated to deposit an earnest money amounting to Nu. 20,000/- (Twenty Thousand) prior to the auction, payable to the Range Officer, Laya Park Range Office. This deposit will be refunded to unsuccessful bidders on the auction date. For further inquiries and clarification, please contact Mr. Sherub Tenzin, Range Officer at the Laya Range Office, at 17405901 or via email at sherabt@moenr.gov.bt
